**Finance Committee – No Report**

**Human Resources Committee – No Report**

**Purchase of a Vacuum Cleaner**

The Board of Library Trustees approves the purchase of a vacuum cleaner to be used as library programs at a cost not to exceed \$250 plus shipping.

Background Information: The Library does not own a regular vacuum cleaner which makes it very difficult to clean up spills and other messes during business hours. This was very evident during the 50<sup>th</sup> anniversary event when popcorn was served. Staff used brooms and a small non-electric hand vacuum which did not work very well. A professional grade vacuum by Eureka Sanitaire receives very good reviews. This brand/model is highly recommended.

**Purchase of a Popcorn Machine for Library Programming**

The Board of Library Trustees approves the purchase of a popcorn machine to be used at library programs at a cost not to exceed \$350 plus shipping.

Background information: The public loved the popcorn machine that the library borrowed for the 50<sup>th</sup> anniversary celebration. The staff proposes to purchase a machine for the library to be used during movie nights and for other celebrations. The machine that is proposed has a stainless steel cabinet, a stainless steel kettle and metal gears which will be more reliable than aluminum and plastic.

The following staff members are celebrating an employment anniversary in October: ReneWalther – 16 years; Steve Dexheimer and Dan Jones – 9 years; Tanya Schwander – 7 years; and Sallee Brossard – 1 year.

**V. COMMITTEE REPORTS**

- A. Facilities Committee

Trustee Jeffrey reported that, at their meeting of 10/16/12, the Facilities Committee discussed the fact that the Library Board was not in the business of owning property. Therefore, it was agreed to list the land for sale with the understanding that it would not be sold unless a satisfactory offer was received. It was noted that the Village has the first right to purchase the property, so a letter would be sent to the Village. At the same time, the Library Board agreed to meet with the Park Board to discuss a possible lease of the property for public use. This would provide additional green space for the residents while eliminating property taxes and maintenance costs for the Library.

**Trustee Bailey moved and Trustee Clark seconded** that the Interim Director is directed to contact realtors to obtain market analyses and listing information, and the

Board will meet with representatives from the Park District to discuss lease of the property on November 19, 2012 at 6:30 p.m.

The Library was very inviting with displays of flowers, balloons and pumpkins. And, everyone enjoyed the events throughout the building. Trustee Clark thanked the staff and fellow Trustees for making this wonderful day possible, singling out President Wade and Trustee DeRango for their work in arranging so many exciting exhibits.

Mary Clemens noted that she was excited about planning this type of programming in the coming year.

**VII. Report of the Library Director**

President Wade asked about the service awards used to recognize staff. Interim Director Boria explained that on anniversary milestones (5 years, 10 years, etc.) the Library provided a plaque and a gift certificate. Boria then explained that she and Assistant Director Clemens were looking into a system which would cost approximately the same amount of money but would allow staff to select a gift of their choosing from a catalog.
