^{*}A consent agenda allows Board members to vote on a group of items en bloc (as a group) not requiring discussion. This practice can save meeting time by allowing the Board to approve the group of items together in one motion. Items they wish to discuss are declared "off" by a Board member during the establishment of the consent agenda.

Recommendation, Re: Approval of Annual Library Calendar 2024 Library Closings and Board Meetings Background information:

The 2024 Calendar of Library Closings and Board meetings is sent to the Village and local press publications and posted in the Library lobby. Traditionally the Library is closed the Sunday before a Monday holiday, such as the Sunday before Labor Day and the Sunday before the Monday when Memorial Day is observed. The Library is also closed on Easter Sunday, Mother's Day and Father's Day. These Sunday closings are unpaid. When a Library holiday falls on a Sunday, the following Monday, will be considered the paid holiday. As with all unpaid closings, normally scheduled employees are offered the opportunity to make up their hours if they so choose.

Approval of Disbursements

The Library Board of Trustees approved the disbursements for the period of October 1-31, 2023 plus, the Addendum for the Meeting of November 15, 2023 in the amount of \$187,435.65.

6. NEW BUSINESS

6.1 Discussion: 2024 Per Capita Grant Requirements-Review of Serving our Public 4.0, Standards for Illinois Public Libraries

Background information:

The Library Board and Director are to completely review *Serving Our Public 4.0 Standards for Illinois Public Libraries* and report on any changes or progress. The Director provided the Board with a document outlining the Library's status and progress regarding the standards. The final grant application will be included with the January Board packet for Board final approval. Deadline for submitting the Per Capita Grant is January 30, 2024.

7. REPORT OF THE LIBRARY DIRECTOR

Background Information:

The Director and Adult Services Manger Athens Moreno hosted and attended the Nov. 8 Literacy DuPage Board meeting here at the Library. Athens provided them with an overview of our current literacy efforts and the Director took them on a tour of the building. They were very appreciative of the Library's support of their organization. The ILA (Illinois Library Association) has scheduled a Legislative Meet-up for West Suburban Libraries for Wednesday, December 6 from 12:00-2:00 p.m. in Oak Brook. This annual event provides libraries the opportunity to hear from local legislatures regarding their standings on the importance that public libraries play in our Democracy. President Lynch will be attending on behalf of the Library. Trustee Rogers will be volunteering on behalf of the Library at the Village Tree Lighting event on Dec. 1. Trustees Larimer and Rogers will be volunteering at the Library's Winter Wonderland event at the Library on Dec. 3.

8. MONTHLY STAFF REPORTS

Background Information:

The Adult Services department will soon be circulating Memory Kits for patrons and patron family members that may be experiencing beginning or advanced memory issues. The different kits contain puzzles and reusable work sheets at different levels (early, mid and late stages of memory loss). The Friends of the Library are providing the funding for the new collection.

Accountant's Compilation Report

To the Board of Trustees Carol Stream Public Library Carol Stream, Illinois

Management is responsible for the accompanying financial statements of Carol Stream Public Library, which comprise the combined statements of assets, liabilities and fund balances - modified cash basis — all funds as of December 31, 2023 and November 30, 2023, and the related combined statements of revenues and expenses - modified cash basis — all funds for the month and year-to-date December 31, 2023, in accordance with the modified cash basis of accounting and for determining that the modified cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. These modified cash basis of accounting financial statements do not include capital assets or loans payable. The effects of these departures from the modified cash basis of accounting have not been determined.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the modified cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Library's assets, liabilities, fund balances, revenues, and expenses. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The supplementary information contained in Exhibit C is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The supplementary information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information.

We are not independent with respect to Carol Stream Public Library.

2024 Structure Adjustments

By Kathryn O'Connor (mailto:koconnor@hrsource.org), PHR, SHRM-CP, CCP, GRP, Director, Compensation Services Published November 7, 2023

An essential piece of paying competitively is ensuring that your compensation structure and pay grades are maintained and align with the external labor market, especially in the years between comprehensive market studies.

For organizations that manage their compensation programs on a calendar year, now is the time to collect data and make decisions regarding adjustments for the upcoming year.

HR Source structure adjustment recommendations are compiled using data from employer surveys of compensation practices. As always, HR Source has gathered and analyzed data from both internal and external sources to provide the following **general industry structure** adjustment recommendations for 2024:

- Compensation structures specifically covering production, service, and maintenance positions: 2.3% increase.
- Compensation structures specifically covering non-exempt office and technical positions: 2.5% increase.
- · Compensation structures specifically covering exempt professional and managerial positions: 2.5% increase.
- Compensation structures including two or more of the previously identified groups: 2.5% increase.

HR Source also collects, analyzes, and publishes select industry-specific compensation surveys, which enable us to share 2024 structure adjustment recommendations for the following industries:

- · Non-Profit Organizations: 2.3% increase.
- Public Libraries: 2.6% increase.
 - Park and Recreation Agencies: 2.6% increase.

To adjust your pay grade structure, modify all range midpoints using the fixed percentage noted above. Once all range midpoints have been adjusted, expand outwards to recalculate range minimum and maximum values.

As a reminder, structure adjustments are a perfectly acceptable and recommended pay practice, but they should not be a replacement for compensation benchmarking at regular intervals. It is generally recommended that all jobs be formally benchmarked every three to four years. In the off years, it is acceptable to apply structure adjustments.

HR Source's highly qualified compensation analysts can help with your compensation questions and project needs. Contact the Compensation Department at 800-448-4584 or email us at info@hrsource.org (mailto: info@hrsource.org).

Ms. Susan Westgate Library Director Carol Stream Public Library 616 Hiawatha Drive Carol Stream, Illinois 60188

Dear Susan:

Sikich LLP is pleased to be considered for the re-appointment as independent auditors for the Carol Stream Public Library (the Library). We believe that our qualifications, experience and expertise are clearly distinguishable as we have demonstrated to the Library and are evident by:

- The quality of our professional staff, as noted by their advanced degrees and their active participation in numerous civic and professional organizations.
- The expertise that we possess in the state and local government industry, as demonstrated by:
 - Our clients' success in obtaining the coveted Certificate of Achievement for Excellence in Financial Reporting;
 - Our staff's presentations at conferences, seminars and training courses for various state and local government organizations; and
 - Our leadership roles in the state CPA Society and the Illinois Government Finance Officers Association on implementing complex new pronouncements.
- The benefits our clients receive from the audit planning and significant preliminary work we perform so that audit issues may be identified early and resolved on a timely basis.
- The depth of our audit procedures, as depicted in our specific audit approach and as noted by our government clients.
- The quality and timeliness of the information that we have provided to the Library.
- The experience we have providing professional services to more than 600 units of local government in Illinois annually; which assists us in identifying best practices in the industry that we share with our clients.

Our Firm's expertise will enable the Library to o correctly and cost effectively implement new statements and interpretations issued by the Governmental Accounting Standards Board. We believe this proposal demonstrates our capabilities to serve not only as independent auditors, but also as valued advisors and consultants to the Library, the Board of Trustees, and management.

Our audit team is tailored to each client's specific needs drawing staff from our state and local government team. We emphasize:

- Consistency and quality of staffing in multi-year engagements, including assigning staff
 from our state and local government team who focus on providing services to the local
 government industry year-round and assigning staff who are familiar with the accounting
 software used by the Library;
- The identification of opportunities for improved financial or procedural performance; and
- A focus on areas that present the greatest audit risk.

We are prepared to continue to commit the resources necessary to provide services of the highest quality to the Library. We will not only perform the audit, but we will also provide governmental accounting and financial reporting expertise and technical assistance throughout the year. We understand the scope of work to be performed and the timing requirements and are committed to performing the specified services within the stipulated timeframe.

The Library has requested a proposal for auditing services for the fiscal years ending April 30, 2024 through 2026 and our fees are as detailed below:

	A	April 30, 2024		April 30, 2025		April 30, 2026	
Library Audit	\$	11,880	\$	12,470	\$	13,095	

These fees do not include the cost to implement any new GASB pronouncements during the duration of the proposal. We will separately negotiate additional fees related to any pronouncements that become effective during the duration of the proposal.

We appreciate the opportunity to present this proposal, which is a firm and irrevocable offer for sixty (60) days and look forward to the possibility of continuing to serve the Library.

Sincerely, Sikich LLP

LIBRARY DIRECTOR REPORT-CAROL STREAM PUBLIC LIBRARY January 17, 2024

Per Capita Grant

The completed 2024 Per Capita Grant application is included for your review and approval. Also included is the 2022 Per Capita Grant Expenditure Report that needs to be submitted to the State Library at the same time. The Per Capita funds received by the Library are used towards the purchase of the Library's online database subscriptions.

Complete Cleaning Contract Renewal

The Library's current cleaning company, Complete Cleaning, has increased their fees to cover their increased employment and product costs. I recommend that we renew our contract with Complete Cleaning at their proposed rate of \$2,950 per month. This is an increase of 2.97%. Complete Cleaning provides the Library with service seven days per week, Monday-Sunday. Board approval is required for annual contracts that exceed \$10,000.

Staff In-Service February 23

The library has not conducted an in-person Staff In-Service event since the pandemic. Management is requesting that the Board approve closing the Library to the public on Friday, February 23 for staff training. The planned instruction includes Active Shooter Training and bomb threat response in the morning, conducted by the Carol Stream Police Department. After lunch a trainer from HRSource will be leading the program "Understanding & Applying DEI in the Workplace." The Library has not had active shooter training in many years and it is important to review this with new and existing staff especially now that the Library has a different layout post-renovation. As you are aware, bomb threats at local libraries was prevalent this past fall. It is necessary for staff to be aware of how to respond if this becomes a possibility at our location. The importance of DEI in the workplace and community is of vital importance to create an environment of acceptance, equality and respect. Additional training and information on this essential subject is beneficial to our staff, patrons and the community.

Update of Library Pay Grade Structure

It is recommended by HR Source (our Human Resources consulting firm) to adjust the current paygrade structure by an increase of 2.6%, based upon our industry, for 2024. The 2023 midpoint salary is increased by 2.6% and the minimum and maximum are 20% below and 20% above the midpoint. The Library has adjusted the minimum hourly rate of Pay Grade 20 and 21 to \$14.00 to reflect the minimum wage that was effective on January 1, 2024. The minimum wage has been increasing each year by \$1.00 per hour each year on January 1 until it reaches a minimum wage of \$15.00 per hour in 2025. A copy of the Library's current and updated pay grade structure is included for comparison and review. The article from HR Resources regarding this recommendation is also included.

Auditor Proposal

I am recommending that the Library accept the proposal of Sikich for auditing services for 2024-2026. Sikich has provided the Library with auditing services for the past ten years. We have been pleased with their services and would like to continue with their firm for an additional three years. The auditing process has gone smoothly and Administrative staff has a good working relationship with the firm regarding document preparation and communication. Sikich also performs the Village's audit, which makes for some efficiency as we are included in the IMRF retirement plan with the Village which requires additional reporting in the audit process. It is a 5% increase over last year's fees and increases 5% each year. The new pricing includes the fee for the Auditor's preparation of the Annual Financial Report (AFR) and its submittal to the State Comptroller's office for the Library, which in the past was a separate charge of \$500-\$600. The proposal is included in the Board packet for your review.

Closed Session Recordings

The Illinois Open Meetings Act 5 ILCS 120/2.06(c) permits the deletion of meeting recordings that are 18 months old or more, as long as written meeting minutes have been prepared and approved. Deletion of a list of recordings that qualify for deletion are included as an action item on the agenda. Previously, the Board approved the deletion of applicable meeting recordings in January of 2022.

Facility Update

Maintenance staff removed the holiday lights along the Library's roof line and removed the light-up figures on the roof. The Brittany tree was also taken down. Maintenance staff has been kept busy clearing and de-icing the sidewalks along Hiawatha and the front entrance of the building this month.

Village Tax Levy

The Village Board of Trustees approved the Village Tax Levy, which includes the Library's tax levy, for the 2023 tax year at their December 4th meeting. It will be submitted to the County by the Village. The 2023 tax dollars that we receive in 2024 will be used during the 2024-2025 fiscal year.

Change in IMRF Rates for Employers

Starting in January 2023, the Library's employer contribution rate to the IMRF pension plan will be decreasing for the new calendar year. Our 2023 contribution rate was 10.16% and will be decreasing to 10.08%, a decrease of 0.08%. The Library currently pays IMRF contribution for twenty-four full time staff members and any part-time staff members that work more than 20 hours per week. We currently have two part-time employees that are IMRF eligible. Eligible employees pay a contribution of 4.5% of their salary to IMRF.

Donation from Parents and Teens Together (PATT)

Local residents Yvonne and Doug Petit have donated \$250 to the Library. These funds will be used to support Teen programs and/or materials. The Petit family has generously donated to the Library annually in memory of their son Johnathan to support our efforts in providing valuable services to local teens.

Community Blood Drives

Four Blood Drives have been scheduled for 2024. The first Blood Drive is taking place on Tuesday, January 16. The next Blood Drive is scheduled for April 25, followed by July 23 and October 24. All but the July 23 Blood Drive will take place in the Library's meeting rooms. Versiti will be bringing their mobile unit in July which will be parked along the west side of the parking lot near the shed. Our past Blood Drives have been very successful. The number of donors at these drives demonstrates the commitment and responsibility that the residents of Carol Stream feel for their community. They are to be commended.

2024/2025 Budget

I have begun preparation of the working budget for the upcoming fiscal year. To prepare as accurate a budget as possible, I use the recent audit which has the final numbers for each budget line from the last fiscal year, our current budget and compare it to our current outlay from each budget line, review all of our current contracts, and assess our special fund accounts past, current and future costs. In addition, I include new additional costs that need to be incorporated into the budget (anticipated merit increases, department requests, etc.).

Staff Appreciation Dinner Returns!

Staff members that have reached five-year work anniversary milestones during the past calendar year (2023) are being celebrated and acknowledged at a special Staff Appreciation Dinner on Friday, February 16 at St. Andrews Golf & Country Club in West Chicago. All staff members and Library Board of Trustees are encouraged to attend. The following staff members celebrated milestone work anniversaries in 2023:

- Brookfield Zoo holiday tree decorating (Nov)
- Carol Stream holiday tree lighting event (Dec)
- Holiday Open House (Dec)

- Supervisor meeting with Devaki and Rich (Dec)

Other News:

- In November, we had an after-hours department meeting. The main focus of the night was a refresh on library card procedures. We also worked through some customer service scenarios and covered some general reminders.
- Devaki and Rich attended an all-day training offered through HR Source called Supervisory Fundamentals.
- Navigated SWAN app outage: fielded many calls and emails from patrons regarding the app and their account statuses. The app was not correctly reflecting the items that patrons had returned and/or checked out once the app stopped communicating with the ILS. Mikayla

made a banner that was added to email notices, website, and slides on the TV monitors, which helped with the volume of questions. New app is up and running now; patrons seem satisfied with the replacement that SWAN chose.

- Holiday Open House: 7 staff from the department participated at the event.
- NCOA (National Change of Address) report was run by SWAN at the end of December. This process flags all of the records that have an incorrect address in their account. We had a total of 785 accounts flagged. Starting in January, we'll work through reviewing these accounts. This also gives us a chance to reach out to patrons that have library cards from other SWAN libraries that have since moved to our service area.
