Back Page Stuff

Youth Services

It may take awhile to remember, but the Children's Department has changed its name. From now on, the area will be known as the **Youth Services Department**. Librarians feel this name better suits the part of the Library that serves children from birth through middle school. During your next Library visit, stop by to say hello at the **Youth Services Desk**.

Homework Central

Students in District 93, the new Language Arts books that you are using in class this year have arrived at the Library. If you forget your book, you can now find a copy in the Homework Central collection and still get your homework done on time!

Students from other schools in and around Carol Stream may check Homework Central for their textbooks, too. All of these books are for Library use only and cannot be checked out.

Children's Book Week

"Imagine"

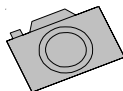

November 14-20

This year's theme for National Children's Book Week is "Imagine." At the Carol Stream Public Library, the Librarians can't picture anything finer than seeing you carry home a stack of good books to enjoy this week.

Family Reading Night
"Picture the Magic
of Reading"

Thursday, November 17

Pick up a booklog now available at the Youth Services Desk, then gather your family to read together for fun on Family Reading Night. Write down the titles on the booklog and return it to the Youth Services Desk by Saturday, November 26 to collect a prize. Families who bring in a picture of themselves reading will receive an extra little surprise. Say "Cheese!"

Winter Holiday Books

November, and soon the December, holiday books are on 14-day loan. The numbers vary on how many can be checked out at one time. Look at the sign above the holiday you are interested in, or ask a Librarian to tell you.

Reading Patch Club

November's featured patch is "Read to Me." If you are interested in joining the Reading Patch Club, please stop by the Youth Services Desk for information. There are fun activities to go along with the books you read.
