

Summer Volunteer Application

Are you trying to earn volunteer hours? Do you love spending time at the library? We have summer volunteer opportunities for you!

How to apply:

Students entering grades 7 and up are invited to submit an application for our summer volunteer positions. Please fill out this application and bring it to the Youth Services desk.

Requirements:

Applications must be submitted by May 31, 2018. Volunteers are required to attend one short orientation session. Orientation dates are June 5, 6, 7 and 9. Volunteers must sign up for an orientation session at the Youth Services desk when they submit their application.

Volunteers will be assigned shifts on a first come, first serve basis. All shifts are two-hour time blocks, unless otherwise stated. Volunteers assigned to the summer reading table must be able to work at least **6 of their 9 assigned shifts**.

Summer Volunteer Agreement

I agree to volunteer at the Carol Stream Public Library during the summer session for the assigned hours each week from June 11 through August 12, 2018. I agree to follow the guidelines provided by the library. If I am unable to volunteer on a day that I am scheduled, I will notify the Youth Services Department at (630) 344-6127 before my assigned shift begins.
